Dear Clients:

First and foremost, I would like to personally **thank you** for entrusting Adonis-Avanti Transportation Service, Inc. with your past and continued patronage.

I also want to assure you that Adonis-Avanti Transportation Service, Inc. is taking proactive steps according to CDC guidelines to protect our clients and staff, that all of our vehicles are being cleaned and disinfected after each use-additionally we are providing hand sanitizer and wipes inside our vehicles. You may also detect some small differences to our service. To safeguard the health of our clients, we've removed printed reading materials, unless requested.

Secondly, the COVID-19 virus has impacted thousands of small businesses as communities cancel events and people cancel travel plans. This is wreaking havoc on small businesses, such as Adonis-Avanti Transportation Service, Inc.

To help weather the storm, Adonis-Avanti Transportation Service, Inc. is offering an Advance Purchase Sale to our most loyal and highly valued clients.

Purchase in advance a minimum of five round trip airport transfers, or a set dollar amount of future transportation, and you'll receive \$ 100.00 off of services. As an additional benefit, you'll be locked into our current pricing structure with no expiration date.

Please contact us directly if you are interested in taking advantage of these savings. This offer will only be available to a limited number of highly valued clients.

We look forward to providing you with our excellent service once the outbreak runs its course.

Thanks in advance and please stay healthy and safe.

Have Hope,

Rudolph F. Scialdo II
President
