February 17, 2021

Dear Clients:

As we move forward into 2021 we want to remind our clients how much you're missed.

Our success was based on clients like yourselves who entrusted us to provide professional, timely and courteous service to you all. As we approach these unprecedented times, we remain hopeful that small and large businesses will continue to move towards a greater economic situation than the past year. We took the leap of faith and recently added another Mercedes-Benz 14 passenger Sprinter to our fleet, making 2 total larger vehicles so we can accommodate a larger number of clients for business or special events, along with our Corporate sedans and 6 passenger SUV's.

I also want to assure you that Adonis-Avanti Transportation Service, Inc. is taking proactive steps according to CDC guidelines to protect our clients and staff, that all our vehicles are being cleaned and sanitized after each use-additionally we are providing hand sanitizer and wipes inside our vehicles. You may also detect some small differences to our service. To safeguard the health of our clients, we've removed all printed reading materials, unless requested. Our drivers are masked and we ask each of our clients to do the same until the protocol is lifted by New York State.

We look forward to providing you a safe & professional experience in the 2021 year.

Stay Safe-Have Hope

Rudolph F. Scialdo II
President
